We are so privileged to have this fine 4.5 mile race course conveniently available to us. The June Sprints races involve a multitude of car styles and classes; open wheel, stock car, historic and modified custom. Over 30 classes of cars will compete, separated into groups for the purpose of, qualifying and road racing. Qualifying occurs each morning with racing in the afternoon.

Through a special arrangement with our friends at Road America, we can offer these normally \$30.00/day tickets for just \$5.00 for our SAE members. Bring a non-member guest along for just \$10.00 per day.

While this event runs Friday – Saturday – Sunday, your Milwaukee section has blocks of tickets for Saturday, June 21 or Sunday June 22. Chose one day or both at the special per day ticket pricing. For those wishing to attend on Friday, you must pay the regular fee of \$30.00 per ticket at the gate.
